The wonderful operation of the Cholagogue in eradicating bile The undivided half parts of lots No. 55 and 56 in the from the human system, can only explain its extraordinary agency the various grades of intermittent and remittent fevers.

Mr. Edward Ringham. Dear Sir-With great pleasure I state the fact of the complete and radical cure of the Fever and Ague with which my son William was attacked, by the use, phrsnant to directions, of Dr. O. good's India Cholagogue. He had as severe an attack as I ever witnessed, and I apprehended a long winter of this disease, which was some years ago the case when I resided at Tetumsch. But I was providentially led to notice your advertisement in relation if this medicine-determined to try it, and the use of one bottle broke the disease, and I am confident has effected a radical cure, as two month-have now clapsed without a return of it, and my son is in the enjoyment of robust health. It is an invaluable medicine and should be generally known. ROSS WILKINS.
